Digital guest lectureships

Ladies and Gentlemen, dear Colleagues,

In addition to guest lectureships with physical mobility, digital guest lectureships can also be realised in the project. These formats make an important contribution to internationalisation at home and make international teaching and study experiences possible for students and teachers who do not want to or cannot realise physical mobility.

Fee payments are based on the number of hours or days taught.

Fees for lectureships in Germany (€)		
Time scope	Teachers without academic qualification	Teachers with academic qualification
1 hour	60 €	80 €
2 hours	110 €	160 €
3 hours	160 €	250 €
4 hours	210 €	330 €
5 hours	260 €	410 €
6 hours	310 €	490 €

Unfortunately, fees cannot be paid to teachers at Heidelberg University of Applied Sciences. If you would like to offer a digital guest lectureship at a partner university, please contact the ProMobilGS team to discuss suitable support with us.

With kind regards

Henrike Schön (Project Manager **ProMobil^{GS}**) and the team
